**WE CAN HELP NO MATTER THE SEVERITY OF YOUR INFESTATION**

**OPTION # 1: 25% - 95% SUCCESS RATE**

Arrange for an exterminator (which we can recommend) to provide a crack & crevice treatment in your apartment without having to remove your possessions. Our crew can prep your apartment for this treatment

**OPTION # 2: 100% SUCCESS RATE**

Our service is geared to work with your exterminator. We clear the space by removing contents so they can thoroughly treat the place. Meanwhile we facilitate fumigation while they provide remediation. (KILLS EGGS TOO) **GUARANTEED!!!!**

**FUMIGATION INFORMATION** - Gas will not stain or leave a residue on your contents. Fumigant is colorless, odorless & tasteless. Fogging your apartment is **NOT** fumigating.
