

# PACKING TIPS 101

- A** **B** SHOULD BE LABELED  
**L** **O** on the side -what room it's going into  
**L** **X** SHOULD BE CRUSHPROOF  
**E** **E** by using tight fist size packing paper rolls on top, bottom and sides of items being packed  
**S** WITH FRAGILE ITEMS  
**S** should be double walled & labeled accordingly; also allow at least 3" of cushioning on top & bottom

## ELECTRONICS & LAMPS

individually wrap in bubble wrap

## PLATES & SAUCERS

wrap pieces in bubble wrap or packing paper & stand on edge; larger heavier pieces on bottom

## PAINTINGS, MIRROR & GLASS

Ask about our assortment of picture boxes, bubble wrap items (except oil paintings)

## POTS & PANS

use large linen boxes & individually wrap items

## LAMP SHADES

nest if possible and use linen boxes; cushion fully inside of shade & on top
